General Data Protection Regulations (GDPR) – 2024 Review: A note from Linda Littlewood

Under GDP Regulations, it is the joint responsibility of all in the Church to ensure that personal data is held and used appropriately. Our Church, along with others in the Circuit, is required to complete an annual Data Protection checklist.

As part of this review, it is essential that we know who holds what information and for what reasons. If you have any current handwritten, printed or electronic lists which include any personal details (e.g. names, addresses, emails or telephone numbers) of fellow Church members or adherents (e.g. contacts for a Church group or a rota) please could you obtain the form from me and return it by 1st May 2024. If you have any similar information because of a particular role or office you have had in the past, please could you return these written lists or documents for safe disposal e.g. old minutes, prayer diary or directories. If you are unsure or have any queries, please do contact me.

Thank you - Linda
