80 years on with Christian Aid

What might bananas, a dead plant, a small bottle of muddy water, and a handful of compost have in common?

Alyson may share one or two suggestions during Sunday morning worship on 11th May. We are at the start of Christian Aid Week (11-17th May) 2025 – it is the money raised through this week by amazing people like you that enables Christian Aid's rapid responses to 'disasters' or emerging projects. Look out for the Christian Aid envelopes over the next week. Your donation will be greatly appreciated - it is the gift of vital, unstoppable HOPE! Thank you.

We hope people will be able to attend for the whole weekend, especially as for York folk the event will be local this time! There is free parking at the University of York during the weekend. There will be various ticket prices as we hope those who can will support the event, but we don't want the cost to stop anyone attending. Please note that if your children want to engage with the youth and children's work you will need to book tickets for the Children's or Youth streams (not an Under 18s main admission ticket)
